Welcome to **ISLAND**'s Visual Story

We are very happy that you
will be coming to see
ISLAND

ISLAND

Visual Story

This booklet will tell you
some of the things to
expect during the
performance.

What is in this guide:

The Performers

Page 3

The Performance

Page 4

The Performers

Jorja is one of the performers and plays the motherly figure in the show.

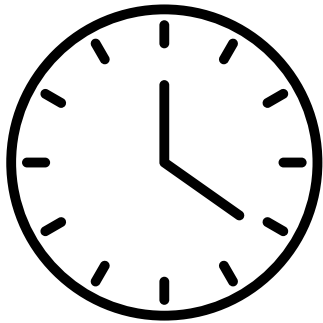

Laura is the other performer in the show and will interact with your baby at various points during the performance.

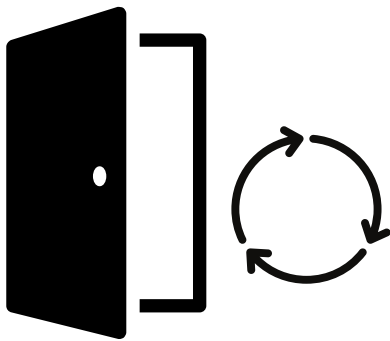

Rachel is a musician and will be singing and playing musical instruments during the performance.

The Performance

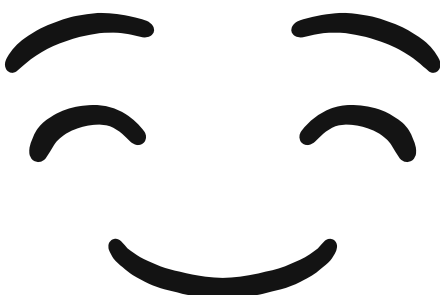

The performance will last 45 minutes. There will be a stay and play at the end.

You can come and go as much as you like during the performance.

Your baby can make as much or as little noise as they like during the performance. We love hearing their voices.

Babies are welcome to move around the performance space and the performers will move around your baby.

The Performance

You will be shown the buggy park when you arrive where you can safely leave your pram during the performance.

When you enter the performance space you will be asked to take your shoes off and put them in a shoebox along with your bags. You can access your bag at any time.

You can breast or bottle feed in the space. Please eat any solids outside the performance space.

No phones are allowed during the performance, this is so that you and your baby can disconnect and enjoy this time together.

The Performance

You will be seated on a small ISLAND with your baby. Make yourselves comfortable with the cushions and beanbags.

Feeding pillows will also be available for you to use, or for your baby to snuggle into.

If you can't sit on beanbags and need a chair, please let a member of the team know.

During the performance, the lighting will change. This is the darkest that the performance space will be.

The Performance

And this will be the brightest. The lighting will change slowly between these two states during the performance.

During the performance, Rachel will sing songs.

She will play the harp on top of her own island as well as a chime.

During the performance, she will walk around the space and play the viola to your baby.

The Performance

Your baby will be offered a glowing ball during the performance to play with.

There will be a stay and play at the end of the performance for you and your baby to enjoy.

If you need any support during the performance, please ask a Starcatchers team member or venue staff. Starcatchers staff will be wearing a Starcatchers hoodie.
