About Sound Seekers

Sound Seekers is a weekly creative music group, allowing you to explore different sounds and play with your adult.

During the session you can explore what interests you, and what you like will help to shape the theme for future play sessions.

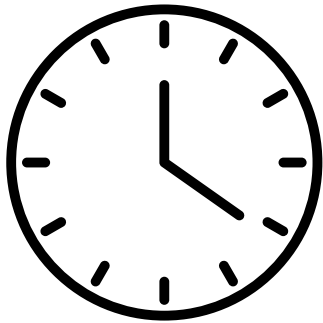

You will get the opportunity to explore different instruments

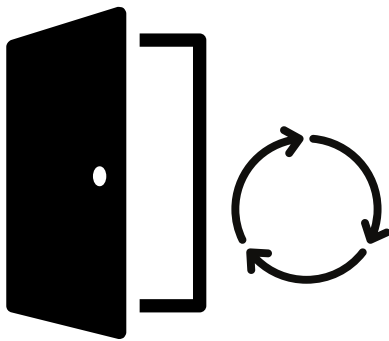

There will be ear defenders available if you need them

About Sound Seekers

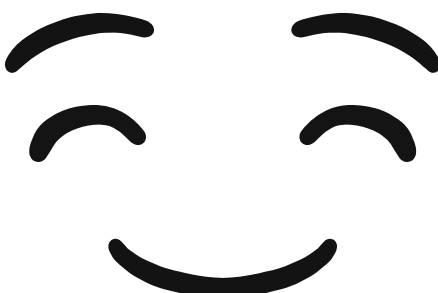

The Sound Seekers sessions will last about 1.5 hours

You can come and go as much as you like during that time.

You can make as much or as little noise as you like during the sessions. We love hearing your voices

The sessions are relaxed and the performers will work around you and what you like.

Who will you meet at Sound Seekers?

Amie is one of the leading artists at Sound Seekers. She loves imaginative play!

Ronan will also be leading the session alongside Amie. He loves playing music!

Wengeswa will be supporting Amie and Ronan during the session. She is very friendly and welcoming.

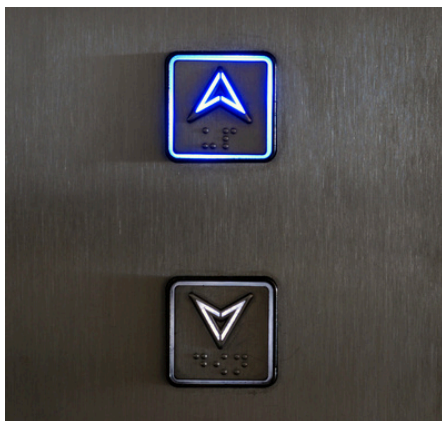

Kerry will also pop in sometimes to join in the fun, and play with you.

Where is Sound Seekers?
