Welcome to Float by Kerry Cleland and Company

Welcome to Float, a tranquil performance created for babies from birth to 12 months, inspired by the healing qualities of water

How does it work?

Float is a three-hour durational performance designed to relieve the pressure of time, inviting you to relax deeper into the world. Your ticket allows you to come and go throughout the three hours to suit the needs of you and your baby.

1. The performance space

- This is a space to relax and unwind
- You can lie down or roam with your baby
- Enjoy watching them explore independently
- You can breast or bottle feed in this space
- It is not a space for adult conversation

2. The break out space

- This is a space to have a break
- Feed your baby solid food
- This is a space for adult conversation

The 5 Stages of Float

Drip

The performers echo the sounds of the water

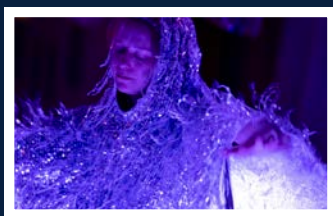

Waves

Relax to the sound of the waves from the ocean drum

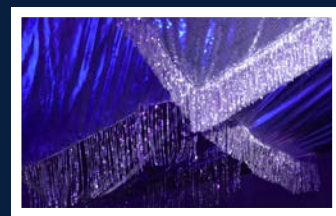

Dook

A performer swirls and plays in the tank

Ocean Club

The performers dance in a world of sparkles

Silver

A world of silver and sparkles is revealed

Float is a durational performance which means the show repeats multiple times within 3 hours. Your ticket allows you to come and go throughout the time to suit the needs of you and your baby.
